- Players roll a number of ten-sided dice equal to their relevant attribute + skill.
- Each die equal to or greater than a target number (usually 7+) counts as a success.
- The storyteller (GM) sets difficulty levels based on the scenario.

This system emphasizes storytelling and character development, with success and failure often serving narrative purposes rather than simple game mechanics.

- The Sabbat: A rebellious sect rejecting human morality and traditional authority.
- The Anarchs: A movement advocating for vampire independence from sects' control.
